Price increase of ARALDITE and POLYOL product for Terada

Apr 1, 2026

Dear valued customer(s),

Thank you for your continued support and trust in Huntsman Advanced Material.

We would like to inform you that from 1st Apr 2026, Huntsman will be increasing the prices of below products.

SI#	Product name
3301608	ARALDITE 2011 WP 6X2KG 1PCK B
4761608	ARALDITE 2000 MAN DISP 200ML ND 1PAC
4918708	ARALDITE AW2101/HW2951 BD 6X6X200ML B
4975208	ARALDITE 2014-2 A/B BD 6X6X200ML B
140312700	ARALDITE 2020 (6X0.5KG)PCK 5
603176100	POLYOL 3006SB 17KG

This price hike is something which is just unavoidable. Price increase for several raw materials is due to rising costs linked to Middle East-related risks and upstream raw material supply issues.

We wish to continue to serve you with the top notch products. We hope to maintain many more years of business relations with you and are looking forward to your continued patronage. We would sincerely appreciate your agreement with us on this sensitive matter.

Should you need further assistance, please do not feel hesitated to contact our Commercial representative that are known to you.

Yours sincerely,
Huntsman Advanced Materials
