

HPJ-1060E3

Exploded view diagram of the HPJ-1060E3 engine and chassis assembly. The diagram shows the engine (1500) mounted on a chassis (5100) with various components like the carburetor (0100), battery (3540), and wheels (5810, 5811). Callouts A, B, and C indicate specific assembly points. The diagram is labeled with numerous part numbers and assembly instructions.

Key Components and Part Numbers:

- Engine:** 1500
- Carburetor:** 0100
- Battery:** 3540
- Chassis:** 5100
- Wheels:** 5810, 5811
- Callouts:** A, B, C

Assembly Instructions:

- Install the engine (1500) onto the chassis (5100) using the mounting brackets (1502, 1503) and bolts (2210, 2240).
- Install the carburetor (0100) onto the engine (1500) using the carburetor mounting bracket (0101) and bolts (0102, 0103, 2110).
- Install the battery (3540) onto the chassis (5100) using the battery mounting bracket (3540) and bolts (3581, 3583, 3582).
- Install the wheels (5810, 5811) onto the chassis (5100) using the wheel mounting brackets (5812, 5811) and bolts (5810, 5811).
