Technical drawing of a mechanical part showing three views: front, top, and side.

Front View: Shows a rectangular part with two circular holes. The total width is 38. The distance between the centers of the holes is 20. The distance from the right edge to the center of the right hole is 8.25. The thickness of the part is 6. The right edge has a 45° chamfer. Two M10 holes are indicated.

Top View: Shows the part from above. The width is 18.5. The distance from the left edge to the center of the left hole is 20. The distance from the center of the left hole to the right edge is 8.25.

Side View: Shows the part from the side. The total width is 17.5. The height of the main body is 11. The height of the base is 7.5. The top edge has a fillet radius R0.5 MAX. The base has a 45° chamfer.
